ASCO Sub-Saharan Africa Regional Council

The Sub-Saharan Africa Regional Council is integral in developing and modifying ASCO programs, products, and services to meet regional needs. To engage with your Council member, please email regionalcouncil@asco.org.

International Cancer Corps (ICC)

The ICC's mission is to improve the quality of cancer care at medical institutions in low- and middle-income countries by providing education and training to clinical staff. The ICC is supported by the Regional Council.

ASCO QOPI™ Pilot

ASCO's Quality Oncology Practice Initiative (QOPI) has launched a Low/Middle-Income Country Pilot Site in Uganda.
