

The American Society of Clinical Oncology Presents

The TAPUR Study | Second Annual Virtual Grand Rounds

May 6, 2024
2:00 PM–3:00 PM ET

You are invited to learn about the Targeted Agent and Profiling Utilization Registry (TAPUR) Study by attending the live online Grand Rounds. The TAPUR Study is an ongoing and enrolling clinical trial conducted by the American Society of Clinical Oncology (ASCO), the world's leading professional organization representing physicians who care for people with cancer.

WHO CAN ATTEND

The entire oncology community, including:

- ▶ physicians
- ▶ advocacy organizations
- ▶ persons living with cancer
- ▶ patient advocates
- ▶ research clinical staff
- ▶ etc.

REGISTER TODAY
