

# ASCO Guidelines App

Use of the ASCO Guidelines app may satisfy either or both of the MIPS Improvement Activities in the table below, depending on how it is used. In order to claim credit for an Improvement Activity, you must perform the activity as described for at least 90 continuous days; make sure to retain the suggested documentation. For more information on MIPS Improvement Activities, download the 2019 Improvement Activities Performance Category Fact Sheet, available from the [QPP Resource Library](#).

Free to download for **iPhone/iPad** and **Android**
